**NOTICE OF PUBLIC COMMENT PERIOD AND OPPORTUNITY
FOR A PUBLIC HEARING REGARDING AN APPLICATION FOR A PERMIT TO
CONSTRUCT AND A TIER I OPERATING PERMIT ADMINISTRATIVE
AMENDMENT**

PROPOSED ACTION: In accordance with IDAPA 58.01.01.209.05.c, the Department of Environmental Quality (DEQ) announces a second public comment period and opportunity for a public hearing for J.R. Simplot Company – Don Siding Pocatello, located at 1150 West Highway 30, Pocatello, ID, under Docket No. AQ-1572. The PTC incorporates previous permit and consent order emission limits with no emission changes. DEQ inadvertently omitted information during the previously held comment period (March 7 – April 6, 2017) pertaining to the consent order between DEQ and Simplot and the ambient impact analysis for PM₁₀. DEQ proposes to issue Permit to Construct No. P-2016.0055 Project Number 61789. The permittee may at any time after permit issuance request that the permit to construct requirements be incorporated into the Tier I permit through an administrative amendment in accordance with IDAPA 58.01.01.381.

PUBLIC HEARING OPPORTUNITY: Pursuant to Section 58.01.01.364, opportunity for a public hearing for interested persons to appear and submit written or oral comments may be provided if written requests are submitted to the undersigned on or before May 17, 2017. Hearing requests should include a brief statement explaining why a public hearing on the air quality aspects of the project would be beneficial. The selected meeting site will be accessible to the physically disabled.

AVAILABILITY OF MATERIALS: The application materials, the proposed permit and Statement of Basis are available for public review on DEQ's website at <http://www.deq.idaho.gov>.
